

# Go For Health

WINDSOR-ESSEX

## Core

- are partners who are actively involved in the functioning of the partnership.

## Involved

- are stakeholders who are frequently consulted or part of the process.

## Supportive

- are stakeholders who provide some form of specific support to the project, such as participating in a function of the partnership or on a specific task force of the partnership.

## Peripheral

- are stakeholders who are kept informed of the progress and work of the partnership, but are not directly involved in its work.
